SUBJECT: Announcement on the impact of COVID-19 on the regular business activities of the Medika d.d.

Pursuant to the article 502 paragraph 1 and article 512 of the Capital Market Act, Medika d.d. (hereinafter: the Company), hereby announces about COVID-19 impact on the regular business activities of the Company.

In the last few days, the Company has recorded a mild increase in sales of goods. At the same time, the Company hopes for the stability of state finance, given the fact that it is an important participant in the supply of medicines and medical products, which is expected by increasing liabilities to suppliers of goods.

Given the new situation that has not been reported, the Company is unable to predict the final effects as well as further reactions of investors in the capital market.

On February 28, 2020, the Company published unaudited financial results for 2019 and does not expect that the COVID-19 outbreak will affect the published results.
